

DECLARATION OF PERFORMANCE

DoP No.: DOP-2026-001

Product: Nordkern Thermal Wall Panel NK-TWP 120

1. Unique identification code of the product type

NK-TWP-120 — Insulated wall panel, nominal thickness 120 mm.

2. Intended use

Thermal insulation and external wall construction in building applications.

3. Manufacturer

Nordkern Building Systems GmbH
Industriestraße 12, 80331 Munich, Germany

4. Authorised representative

Not applicable.

5. System of assessment and verification of constancy of performance

System 3 — Dummy example for demonstration and software testing purposes.

6. Declared performance

Essential characteristic	Performance
Thermal conductivity λ_D	0.022 W/(m·K)
Reaction to fire	Class B-s1,d0
Compressive strength	150 kPa
Water absorption	$\leq 1.0 \%$
Dimensional stability	$\leq 1.0 \%$

7. Technical documentation

The declared performance values above are fictional and intended solely as dummy data for testing document upload, extraction, and validation workflows.

Signed for and on behalf of the manufacturer

Dr. Anna Keller — Technical Director
Date: 19 August 2026
